Mary's Little Lamb

was cold . . . and **very** cross. They had shorn all his lovely white wool to knit a party frock for the **Queen of Hearts**. "Never mind," said Mary, as she tied on his best blue bow, "I'll take you to the party with me."

On the way, they met **Jack and Jill** climbing the hill to the palace. They were wearing nice new jumpers, and when Mary admired them, Jill told her they were knitted from Patons Lady Betty Fleecy Wool. "Yes," said Jack, "'P & B' have shorn all Bo-Peep's sheep, and spun lovely, soft wools for the guests to wear at the party."

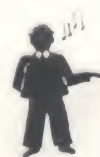

At the palace, **Humpty-Dumpty** was sitting on the wall, wearing a smart new suit in Patons Non-Shrink Baby Wool. He refused to come inside till all the guests arrived in their new knitwear.

The **Queen of Hearts** met them at the door, and her lovely frock made Mary's lamb blink. She patted his head, and thanked him very much for his wool, saying, "'P & B' chose you because they only use the very softest and finest for their new Non-Shrink Baby Wool."

Inside, they met the other guests—**Little Boy Blue** in a dashing blue coat of Patons Baby Wool, and **Little Bo-Peep**, very proud of her outfit made from Lady Betty Fleecy Wool, spun from her very own sheep.

They played all kinds of games, and **Little Tommy Tucker** sang his song, but they didn't disturb **Little Jack Horner**, who was fast asleep in the corner in a cosy sleeping bag of Patons Blanket Wool.

At last the party came to an end—all the little people said "Good-night" to the **Queen of Hearts** at the Palace door, and went off home to bed.

"Well," said Mary's lamb, as he snuggled down that night, "from now on, I will take extra care to brush my coat twice as often, so that Patons & Baldwins can spin more fine, soft Non-Shrink Baby Wool."

Q You may be sure that Baby will be happy when wearing Woollies similar to those worn by the guests at the Queen of Heart's party . . . So turn over these pages.

Little Boy Blue, come blow
your horn!
The sheep's in the meadow, the
cow's in the corn.
Where's the boy that looks
after the sheep?
He's under a haycock, fast
asleep.
Will you wake him? No, not I.
For if I do, he'll be sure to cry.

To fetch a pail of water;
Jack fell down and broke his
crown,
And Jill came tumbling after.

STYLISTS' NOTES

WHEN PURCHASING WOOL for any garment, it is most important to procure sufficient of one blend to complete the article, as no guarantee can be given that exactly the same shade can be supplied afterwards, slight variations between different blends being unavoidable.

IMPORTANT:—The correct size of any of the garments illustrated in this Book will only be obtained by USING THE WOOL RECOMMENDED IN THE RECIPE AND KNITTING AT THE CORRECT TENSION. To ensure this, use the wool and needles specified, and knit a small piece of fabric in the given pattern. If knitted correctly, the number of stitches to the inch in width should correspond with the tension given. *If, using the needles recommended, more than the specified number of stitches to the inch is obtained, needles a size coarser should be tried; if less than the specified number, then a size finer. Whatever the size of needle found suitable by the Knitter, it is absolutely essential that the fabric should measure the specified number of stitches to the inch in width.*

WHEN THE INSTRUCTIONS READ, "Cast off 2 stitches, K.2" (or similar stitches), the stitch on the right-hand needle, after casting off, is counted as one stitch.

BUTTONS:—If desired, small rounds of double crochet may be worked and button moulds covered with these to match the garment.

With knitted centre 10 ozs.

Beehive Knitting Needles 1 pair No. 8

1 Steel Crochet Hook No. 3

1 Crochet Hook No. 13

1 Daisy Wheel.

MEASUREMENTS:— 50 ins. x 50 ins.

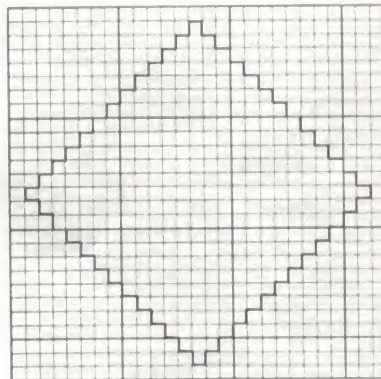

TENSION:—

To get these measurements it is absolutely necessary to work at a tension to produce: In crochet, 12 ch. to the inch with the No. 13 Crochet Hook, 1 long treble to $\frac{7}{8}$ inch in height and 2 treble to $\frac{7}{8}$ inch in height. In knitting with the No. 8 Needles, 7 stitches to the inch in width.

Using the wool double, make 416 daisies.

TO MAKE DAISIES.—Place the wheel, knob downwards, in the left hand. Put the wool on the flat side of the wheel, and hold in position in the centre with the thumb of the left hand. Wind the wool over a point of the wheel, and over the point exactly opposite, repeat this once (4 loops on both points) taking care not to cross the wool in the centre. Then

pass to the next point and its opposite and wind the wool in the same way. Repeat until all the points are used (12 petals). Break off wool 6 inches from the wheel, thread darning needle and stitch over and over diagonally between each petal in the centre of the daisy. Draw into a firm centre by running the needle under all threads of wool at the centre. Finish by sewing between the petals, through all the strands at the centre.

Inner diamond represents the centre and the outer square the daisies.

TO JOIN DAISIES.—

When joining daisies, a picot must be worked on every third petal throughout the work. Using the No. 3 Hook, work as follows, in conjunction with chart:—Sl. st. into petal No. 1, 6 ch., sl. st. into petal No. 2, 6 ch., sl. st. into petal No. 3, 7 ch., sl. st. into sl. st. in petal No. 3 (1st picot), 6 ch., sl. st. into

petal No. 4, 6 ch., sl. st. into petal No. 5.

Take another daisy and sl. st. into a petal which will be * petal No. 6, 6 ch., sl. st. into petal No. 7, remove hook from stitch and insert in sl. st. at petal No. 4, and draw the loop just taken off the needle through the sl. st. at petal No. 4, 6 ch., sl. st. into petal No. 8, 3 ch.

Remove hook and insert in picot loop at petal No. 3 in the first daisy, and draw the loop just taken off the hook through the first picot loop, 3 ch. and sl. st. into the sl. st. at petal No. 8, 6 ch., sl. st. into petal No. 9, 6 ch., sl. st. into petal No. 10, 6 ch., sl. st. into petal No. 11, 7 ch., sl. st. into sl. st. at petal No. 11 (picot), 6 ch., sl. st. into petal No. 12, 6 ch., sl. st. into petal No. 13, * take another daisy and repeat from * petal No. 6 to petal No. 13. Continue adding the new daisies in a row, always adding a new daisy on the right, then chain and picot across the petals illustrated in the diagram by dotted lines until the 3rd loose petal on the first daisy is reached (leaving the 4 petals on the outer edge loose until the article is completed). Continue adding new daisies from this petal, always working to the right, and return with chain and picots between the daisies to the left of the work before beginning a new row of daisies.

THE KNITTED CENTRE.—Using the No. 8 Needles, cast on 12 stitches loosely. Work 18 rows in Garter Stitch (i.e., every row plain). Proceed as follows:—

**** 1st row.**—Cast on 10 stitches, knit plain to the end of the row. **2nd row.**—Like the 1st row.

Work 16 rows in Garter Stitch. ******

Repeat from ** to ** eleven times (252 stitches).

Proceed as follows:—

***** 1st row.**—Cast off 10 stitches, knit plain to the end of the row. **2nd row.**—Like the 1st row.

Work 16 rows in Garter Stitch. *******

Repeat from *** to *** eleven times.

Work 2 rows in Garter Stitch. Cast off.

THE CROCHET CENTRE.—Using the No. 13 Hook, work 19 chain loosely.

1st row.—4 tr. into 4th ch. from hook, miss 2 ch., 1 d.c. in next ch., * miss 2 ch., 5 tr. in next ch., miss 2 ch., 1 d.c. in next ch., repeat from * to the end of the row, 3 ch., turn.
